OCULTA ICO DETAILS

A BRAND NEW IDEA OF
MARKETPLACE

Total number of tokens released is 200.000.000. More tokens beyond this number will not to be released.

Contributions will only be accepted in ETH.

Exchange rate will be 10.000 Oculata for 1 ETH.

Our ICO will take place on 2 phases, as it is described below:

Phase-1 Token Sale

Phase-1 will launch on June 23, 2018 at 10:00 am (GMT) and will stay open until it is fully subscribed or Oculta decides to close the Phase-1 offering, at which time unsubscribed Phase-1 tokens will be allocated to the 2nd phase.

Phase-2 Token Sale

The Phase-2 starts when the Phase-1 offering completes and also includes any unsubscribed tokens from the previous Phase to give participants a second chance to acquire Oculta Tokens before the contribution period ends.

Oculta Distribution Tokens are allocated into the token sale for participants as follows:

Phase-1 Token Sale 50.000.000

Phase-2 Token Sale 70.000.000

Token Sale Cap 120.000.000 (60% of the Oculta Token supply).

The total supply of OCULTA Tokens is allocated as follows:

Public Crowdsale.....	120.000.000
Development Team.....	20.000.000
Bounty Program.....	20.000.000
Marketing.....	10.000.000
Legal Procedures.....	20.000.000
Security Bonus.....	10.000.000

Total 200.000.000 TOKENS

120.000.000 (60%) of the Oculata Tokens are distributed to the participants in 48 hours after they donate.

20.000.000 (10%) of the Oculata Tokens are reserved for the Development Team. Tokens allocated for the team will be hold for 12 months with subsequent release of not more than 5% of the total number of team tokens per month.

20.000.000 (10%) of the Oculata Tokens are reserved for a Social and Bug Bounties account. Allocated Oculata Tokens will be used for translations, business bounties on a social level, bug bounties.

10.000.000 (5%) of the Oculata Tokens are reserved for Marketing. Allocated Oculata Tokens will be used for accommodating and sponsoring worldwide events, hosting Oculata events and event related activities to further community involvement.

20.000.000 (10%) of the Oculata Tokens are going to be used for Legal Procedures.

10.000.000 (5%) of the Oculata Tokens will be kept and distributed to those who will help our team finding security issues in our platform.
